Interior Configurations

There are many options when it comes to picking what the inside of lockers will look like. Ultimately the interior configuration will depend on what a facility needs.

Although we encourage each facility representative to be creative and develop a unique design to best accommodate their needs, here are some examples of typical locker interiors.

No matter what you choose we have the ability to deliver a storage solution complete with coat rods, shelving, wardrobe hooks, mirrors, lock boxes and many more high quality fixtures.
